Official Diary

14 July 1951

Had a talk with Pforzheimer on Legislative Liason, briefings, etc.

25X1 . Long discussion with [] on Semi-Annual Atomic Report. [] has sent in his comments and suggested changes. He wants it brought up at IAC Meeting. Told [] to continue reproduction of report in present form including Air Force comments pending discussion by DCI.

25X1

decision

Discussed the above with DCI. He wants the paper produced as it is with the Air Force paragraphs included. Does not think it needs to go to the IAC. I will have Reber discuss this with Air Force.
